## C I R C U L A R

### **Sub: Reg. Water Sports activities before commencement of monsoon.**

As you all are aware that we are on the threshold of the onset of monsoon and the sea and wind conditions will not be conducive for water sports operations on the beaches, it is advised to exercise extreme caution when operating water sports vessels. Taking into consideration the state of sea, everyday it is advised to send the weather conditions to the Office of the Captain of Ports across all the beaches before commencement each day i.e. at 09.00 a.m. and again at 01.00 p.m. with whatsapp photographs, the condition of the sea on the beaches to assess the weather prevailing.

Water sports activities which are operating, it is advised not to venture into water sports activities if sea conditions are observed to be rough i.e. if wind speed exceeds 20 kmph.

Violation of the above will be viewed seriously.

  
(Capt. James Braganza)  
Captain of Ports.
