No.I-11020/Craft/Sand/3/33

Date: 04/05/2017

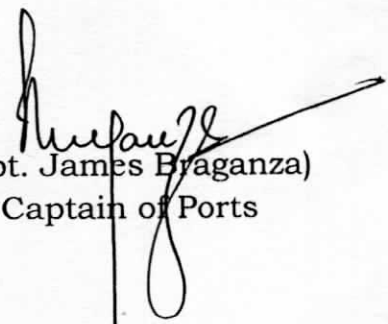

CIRCULAR

It has been observed that most of the licenced craft/ canoes registered with this office are found transporting/ extracting sand beyond the limits fixed on the PERMIT issued by Mines department.

Therefore, it is hereby directed to all the registered canoe owners to reduce the size of the cargo compartment area of your canoes to 6.00 M³ capacity with immediate effect and put up your canoes for inspection.

It is also decided that henceforth construction of new canoes for Inland Cargo above 6.00 M³ capacity shall not be registered/licenced without obtaining prior permissions from this department which may please be noted by all concerned.

It is further directed to comply licence conditions of the canoes at all time, failing which necessary action will be taken by confiscating the canoes for above violations.

(Capt. James Braganza)
