**Sub:- Reg. Operation of Boats/ Kayaks at Agonda and Palolem Beach.**

It has been noted that a large number of Inland passenger Boats (IP Boats) and kayaks are operating at Agonda and Palolem Beach resulting in congestion and affecting peace and harmony on the beaches.

In order to ensure peace and harmony on both the beaches, the following instructions are issued by the Department for strict compliance of the Boats and Kayak owners operating at Agonda and Palolem beach:

1. Boat /kayaks owners should join Agonda/Palolem Boat Owners Association for the smooth conduct of boat operation at the Beach and should operate boat/kayaks as per the Queue System. This is as per the directions of the Hon,ble High Court.
2. No new application for registration of boats or kayaks at Agonda and Palolem beach will be considered by the Department unless the applicant produces NOC of the Agonda/Palolem Boat Owners Association and the area of operation clearly marked/demarcated by them.
3. Similarly, NOC for operation of boats/kayaks at Agonda/Palolem Beach will not be renewed by the department unless the boat owners /kayaks owners join the Association as member and submit the endorsement letter /NOC of the Association.

All the boats/kayak owners should take note of the above instructions for strict compliance.
