CIRCULAR

It has been brought to the notice of the undersigned that some of the high speed patrol boats operating in the River Mandovi are operating at excessive speeds which generates substantial wakes that damage the boats docked along the jetties as well as river shore and floating jetties in the vicinity. Also, this endangers the safety of people while embarking and disembarking from boats to jetty and vice versa.

Therefore, all owners/masters of the Speed boats, launches, cruise vessels/ barges plying in River Mandovi are hereby directed not to exceed the speed limit of 09 Knots.

Violation of the above will be viewed seriously.
